The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED for failure to persuade the Court of the need to remand at this time. The Court will consider another motion to remand if it includes reference to the missing transcript of the final pretrial conference held on April 6, 2006, and either an affidavit or offer of proof to show the probable testimony of defendant-appellant's trial counsel on remand or an explanation for the inability to provide trial counsel's affidavit or an offer of proof.

Defendant-appellant shall promptly secure the filing of the transcript of the hearing held on April 6, 2006. Within 14 days after the Clerk's certification of this order, defendant-appellant shall secure the filing of the court reporter's certificate to confirm that the transcript order has been received and acknowledged by the appropriate court reporter. The court reporter shall file the transcript with the trial court clerk within 28 days after the date the transcript is ordered.
